

# Lunch... On Us!!

- WHO WE ARE:** The S'Cream Team, owner of The S'Cream Truck and The S'Cream Team Booking
- WHAT WE DO:** Help you solve your lunch problem by booking a delicious food truck for as often as you need it.
- WHY WE DO THIS:** We were approached by a large company to help them find trucks to come to their office complex to provide an option to their employees, since they were off the "beaten path" and employees were having a hard time finding a variety of lunch options.
- What the company found out was that not only were the employees happy with the delicious choices, but they were more likely to stay on the work premises and socialize, which helped bring up productivity.
- HOW IT WORKS:** We have access to all the best and A-rated trucks in the Los Angeles area. You pay us a small fee, and we book, coordinate, schedule each truck. The week before, you are provided (via email) with each truck and their menu for purposes of planning. Trucks are also able to take large orders ahead of time so that the food is ready when you are ready.
- WHAT YOU GET:** Delicious, gourmet food right outside your office door without having to leave your office to get it.

## WE LOOK FORWARD TO WORKING WITH YOU!

We can provide references and a list of trucks able to start as soon as you're ready.
